LA FESTA DELLA BEFANA

Sunday, January 5 • 1:30 - 4:00 pm @ Italian Center
Children 16 & Under Free • Adults \$10

The Twelve Days of Christmas is one of the most famous English Christmas Caroles, but did you know that the twelfth day of Christmas is January 6 or Epiphany? In Italian this is "BEFANA". The Befana is the festival which celebrates the arrival of the Magi, the Three Kings, twelve days after Christmas. In Italy "la Befana" is a kindly old woman who on the eve of Befana, January 5, flies on her broomstick over rooftops and leaves presents for all the good children and pieces of coal for the naughty ones.

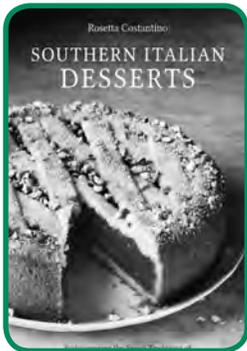

On January 5th, La Befana will visit our Italian Center in Carmichael and we invite our community to attend "The Legend Of La Befana". This is an afternoon of celebration and family fun, featuring a "Legend of La Befana" Puppet Show, Italian folk dances performed by the Society's "BAMBINI" (Children's) dance group, craft tables, and traditional Italian sweets, biscotti and desserts. Local children's author Orietta Gianjorio will have her books available for signing and purchase at the Book Fair, and La befana will visit the children of Sacramento with her basket of chocolate gold coins and a free Befana gift.

Donations of traditional Italian cookies and volunteers are needed. Please call Patty Peter at (916) 399-9592 to donate cookies, desserts or to volunteer in the kitchen. We also need volunteers to help at the Craft Booths, Book Fair and T-shirt tables. Please contact Gina Nelson (gina.maria.nelson@gmail.com) or Janna Doucette (italy2@surewest.net) to volunteer.

Guest Speaker and Author,

Rosetta Costantino: 'Southern Italian Desserts'
Sunday, January 26 • 2:00 pm @ Italian Center, Carmichael • Admission \$10

As a follow-up to her acclaimed 'My Calabria', Rosetta Costantino has gathered 76 favorite desserts and master recipes from her Southern Italian homeland, including the regions of Basilicata, Calabria, Campania, Puglia, and Sicilia. These areas have a history of rich traditions and tasty, beautiful desserts, many of them tied to holidays and festivals. 'Southern Italian Desserts' is an authentic guide to the festive, mouthwatering sweets of Southern Italy, featuring regional specialties that are virtually unknown in the United States as well as variations on well-loved desserts such as cannoli, biscotti, and gelato.

Author and cooking instructor Rosetta Constantino was born and raised in Verbicaro, a small hill town in Calabria, at the southern tip of Italy. Anyone who has been fortunate enough to visit Southern Italy knows that the desserts are incredible. Rosetta's book showcases each region's best offerings and features recipes from simple home desserts to the most classic desserts. Her book, full of striking photos and extraordinary recipes, will be available for purchase and signing.

Best of all, those who attend will be able to sample some of Rosetta's desserts made by her for this event and enjoy a complimentary glass of Prosecco.

Workshop Fee \$10 • Italian Center, Carmichael

Over 4 million Italians immigrated to the United States between 1880 and 1920, and now there are over 26 million in the United States who can trace their ancestral roots to Italy. Have you been able to find your ancestors immigration and naturalization documents? Nick Bloise, Director of the Italian Genealogical Society of Sacramento, will be leading a discussion on the topic of Italian immigration and naturalization. The first part of the lecture will cover Italian immigration from 1492 to 1930, and the second part of the lecture will cover how Italian immigrants became citizens. Our discussion will cover resources available to find your immigrant ancestor as well as what documentation is available online. Each of us has a unique story of our ancestors' arrival. After the lecture, there will be opportunity to share those experiences as well as time to ask other genealogical questions. Please bring your laptops, pedigree charts, and any other documentation you may want reviewed. We hope you can join us for this special event. If you have questions or resources you would like to share with the group please email Nick at: nickb812@yahoo.com. Refreshments included.

A 'Perfetto' Columbus Day Celebration

Our annual Columbus Day celebration brought a packed house to the Italian center for dining al fresco on the Italian Center patio. It would have made Columbus proud. It is the one national holiday when we Italian Americans celebrate our presence and contributions to America. The origins of Columbus Day began in the Italian communities across the United States and evolved into a national holiday in 1937. The Pledge of Allegiance was written in 1892 to commemorate the 400th anniversary of Columbus's discovery of America, a discovery that brought two worlds together. He led the way for the rest of us and the Italian immigration to the America's was the largest movement of a single people from one continent to another in history. Today there are an estimated 26 million people of Italian heritage in the United States. We would like to thank volunteers *Orietta Gianjorio, Patty & Tony Peter, Giovanna Salazar, Janna & Greg Doucette, Bill Cerruti, Barbara Beddow, Lisa Zafran, Armando Andreozzi, Laura Valoppi & Leroy Mohorich*.

ITALIAN FOR TRAVELERS

“Don’t leave home without this class!”

Tuesdays - 7:00 to 9:00 pm • 14 January to 11 March • Italian Center, Carmichael

“In the heart of every man, wherever he is born...there is one small corner which is Italian.” – Luigi Barzini.

Bring out your inner Italian with this class designed especially for travelers to “il Bel Paese:” Italy. Are you planning a trip to Italy? What if you could sit down and talk to a native Italian who has spent the last 20 years hosting tours to Italy? What if you could have an expert on Italy tell you all the ins and outs of Italian travel from safety to menus? This is what our Italian for Travelers class does. Italian for Travelers prepares you to experience the best the world has to offer: art, history, food, wine, music, culture and spectacular beauty all await the traveler to Italy. This course will make your trip to Italy much more enjoyable!

Students learn basic conversation skills, useful vocabulary and key phrases and begin using Italian at the first lesson. The focus is on Italian culture and customs, valuable travel tips and practical information which will prepare you to confidently visit and enjoy the Italian Peninsula. Students return from Italy praising the usefulness of the course. *“I’ve just returned from a three week trip in Italy. Thanks to all of your excellent teaching and valuable tips our trip was a complete success. We felt comfortable in bars, restaurants, and train stations knowing how the systems work. We enjoyed meeting the Italian people and talking with them in their own language. ... Our whole experience was deeper and richer because of what I learned from you.” – Chris B.*

Instructor, Patrizia Cinquini Cerruti, is a native of Tuscany who lives and works part time in Italy, is an expert travel planner and the author of the course textbook: **BUON VIAGGIO! A TRAVELER’S GUIDE TO ITALIAN LANGUAGE AND CULTURE.** Register now at www.italiancenter.net. Tuition \$195; Book \$30 (may be purchased at the first class meeting.)

ITALIAN LANGUAGE FOR CHILDREN

At the Italian Cultural Center, 6821 Fair Oaks Blvd, Carmichael 95608

Ciao Piccoli – PRESCHOOL (3 - 5 yrs) Mondays, 13 January to 10 March - 10:30 am to 12:00 pm

Ciao Italia – WEEKEND CLASS (5 -12 yrs) Saturdays 18 January to 15 March - 10:30 am to 12:00 pm

The Ciao Piccoli class (ages 3 – 5) is an immersion style class which introduces children to Italian language and culture. Ciao Piccoli follows a pre-school format of circle time, songs, play and activities for both fine motor and gross motor skills, but all is spoken or sung in Italian. Our Ciao Italia, for school age children, takes the same approach, but with a curriculum geared to keep the attention of older children.

Maestra Lucia and Maestra Orietta are native speakers who are dedicated to teaching Italian to children. Both teachers have degrees from prestigious Italian universities, experience and extensive education and many other talents and skills which they bring to the classroom. Course registration is offered at a special rate of only \$125 for this session and includes all materials. Parents may wait during the Ciao Piccoli and/or Ciao Italia classes and

explore the Italian Center, or they are welcome to leave and take advantage of a little extra time! Pre-register online NOW at www.italiancenter.net or call 916 482-5900.

“NONNA, TODAY I’M GOING TO ITALIAN CLASS!”

Meet the bambini di Ciao Italia, our children’s language program: Little Nick, whose Nonna brings him to our “Ciao Piccoli” class every Monday, says to her each week, “Hurry Nonna! I can’t wait for Italian class!” Sofia asks her mom, “Is it Monday yet? I want to go to Italian Class.” Lucy sings Italian songs in the car, and Tony helps his mom learn Italian by naming all the fruits at the grocery store in Italian. The gift of knowing your heritage is one of the most important gifts you can give your child. Studies document the advantages of introducing a second language as soon as possible in a child’s life. We encourage everyone to give their children or grandchildren this wonderful opportunity to learn one of the world’s most beautiful languages - l’Italiano!

In past generations, our immigrant parents and grandparents often gave their children American names and even changed their Italian surnames to sound more American. They did not teach their children Italian and often forbade the use of Italian in the house. We have come a long way! Today Italian Americans are proud of their heritage and often choose to give Italian names to their offspring. Today’s Italian-Americans celebrate their heritage and want to learn the language of their ancestors.
